# OUR MISSION

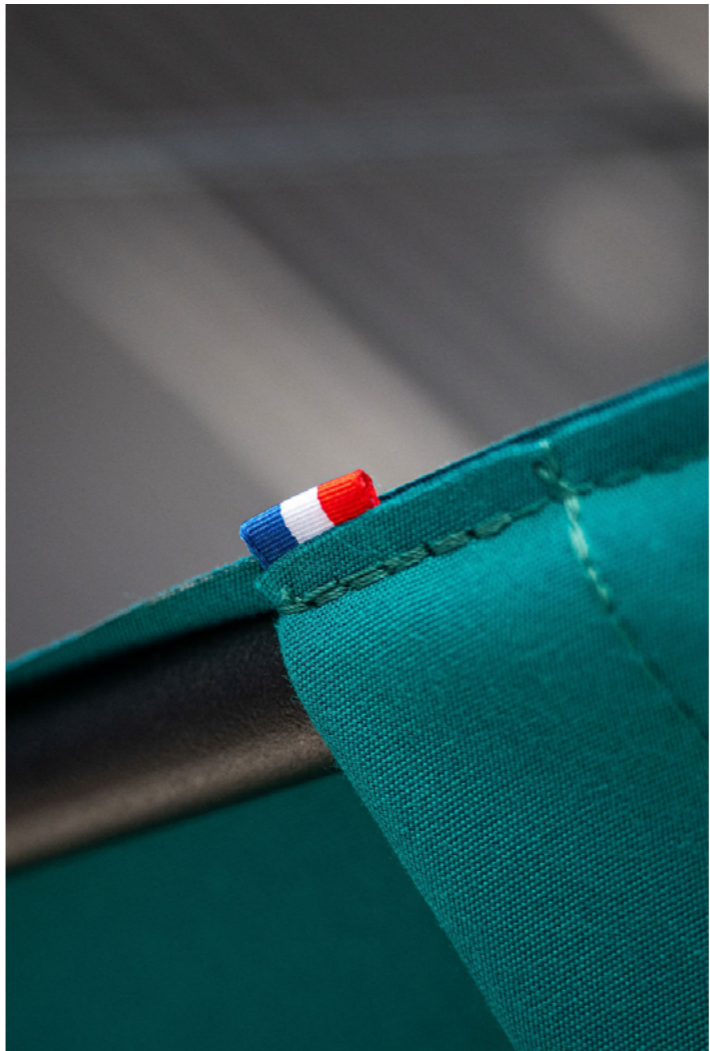

At Dinettes, we are responding to a number of challenges. Firstly, to enable any retailer to easily create new sales areas on any type of site and in any circumstance, indoors or outdoors. Secondly, to meet the challenges of the circular economy with products that are reusable, designed to last and manufactured entirely in France.

'EASILY CREATE A MOBILE POINT OF SALE TO MEET YOUR PUBLIC.'

## DESIGNED, MANUFACTURED AND ASSEMBLED IN FRANCE

Dinettes produces locally, responsibly and works with neighbouring businesses. The subcontracting network is national. Their expertise and proximity ensure the quality and robustness of our products and the responsiveness of our services.
